# **COMMUNITY SHOE DRIVE FOR HAITIAN RELIEF**

Please help support our mission of getting footwear to Haiti by donating shoes today. Alpha Connection Youth & Family Services will be collecting new and “gently worn” shoes in partnership with Soles4Souls. All the shoes collected will be sent directly to Soles4Souls for distribution to the Haitian people.

When dropping off the shoes, please tie the laces together or bundle with a rubber band before placing them in the collection box. Monetary donations are also accepted.
